Product Warranty Regulations

The warranty period is 12 months from the date of purchase. Dust cover, packing case, memory card, card reader, etc. are not within the scope of "one year free warranty service", you can choose paid service. Since the purchase of the machine warranty 12 months, the product performance failure, and by the special maintenance center test, confirm the non-human damage of its own quality problems, the manufacturer provides free maintenance services.

Buyers do not enjoy free warranty service under the following conditions, and you can choose paid services:

1. The warranty period has expired;
2. The model on the warranty certificate does not match the model of the repaired product or has been altered;
3. Damage caused by dismantling by non-special maintenance personnel of the company;
4. Damage caused by force majeure;
5. Damage caused by failure to use, maintain, and maintain the product in accordance with the instructions for use.
